OKAY!

YUMI,
LET'S
GO!

The final week before graduation is bittersweet. You're half glad that you're leaving, and half sad that you're leaving.

FYI, I was assigned NBC (currently called CBRN or CBRNE) and Molly Manne of my platoon. (°_°)

MOS = Military Occupational Specialty. Basically, the type of job a Marine is assigned to do.

Guide = Best Marine of that unit who holds the guidon (unit flag.) Chosen by the Drill Instructors based on overall performance.

Molly Manne = Best female Marine of the platoon chosen by her peers based on character.
